Poštovani g. Ramoviću,

Jako mi je dragao čuti da je projekat Splavište uspješno okončan.

Rado se sjećam moje posjete Goraždu i mog susreta sa toplim i ponosnim Goražđanima. Nakon svega kroz šta su prošli, ovi ljudi više nego zaslužuju pristojne domove. Bila mi je čast sreći i osjetiti njihovu dobrotu.

Drago mi je da je rad Federalnog ministarstva Njemačke za ekonomsku suradnju i razvoj, uz podršku UNHCR-a, CRS-a i Općine Goražde, omogućio da ovaj projekat bude uspješno završen. Sretna sam da znam da će ove porodice konačno imati, kako se to kaže u Bosni, "krov nad glavom".

Svima želim mir, zdravlje i sreću u novim domovima.

Žao mi je što neću moći prisustvovati ovom radosnom događaju, ali se nadam da ću ponovo doći prilikom jedne od mojih posjeta Bosni.

Do te prilike, Vama i svim Goražđanima želim sretan Dan Općine.

Srdačan pozdrav,

Angelina Jolie

Dear Mr Ramović,

I am delighted to see that the Splavilac project has been successfully completed.

I remember my visit to Goražde with fondness, and how much I enjoyed meeting the warm and dignified people of your town. After all their hardships they clearly more than deserved decent housing. It was extraordinary to feel their kindness.

I am pleased that the good work of the Federal Ministry for Economic Cooperation and Development of Germany, with the support of UNHCR, the CRS, and the Municipality of Goražde, has made it possible for this project to be completed. It warms my heart to know that these families will finally have decent homes, and as they say in Bosnia "krov nad glavom".

I wish them all peace, health, and happiness as they move into their new homes.

I am sorry that I am unable to join you on this joyful occasion, but I hope to visit again on one of my future visits to Bosnia.

In the meantime I wish you and all the citizens of Goražde a happy Municipality Day.

Best wishes,

  
Angelina Jolie
